Dennis left the district many years ago, and is reported to have moved to Saskatchewan, but his address could not be determined. He apparently took the chattels given as collateral security for relief, as no trace of them could be found.

The land is situated in a very arid district north-east of Medicine Hat, and is now administered by the Department of Lands and Mines of the Province, and in common with other provincial lands in the dry belt, leased to one of the few remaining settlers for grazing purposes, at a nominal rental.

It is highly improbable that sufficient revenue will be received to allow of any payment against this account, which I would, therefore, recommend be written off and the liens released.

Provincial Land Grain cancellation has been made in the amount of one thousand, five hundred and sixty-nine dollars and sixty-nine cents, ($1,569.69).

Under the circumstances, the Minister recommends that, in view of the disability, further residence be waived under the provisions of the Order in Council of the 23rd May, 1921 (P.C. No 1471) and that patent issue on proof of the performance of the other conditions of the law.

The Committee concur in the foregoing recommendation and submit the same for approval.

The Committee of the Privy Council have had before them a report, dated 2nd January, 1924, from the Minister of the Interior, stating that on the 14th November, 1918, Armand Alfred Fournier, a returned soldier obtained entry for the South East quarter of Section 7, Township 36, Range 4, West of the Fifth Meridian, as a soldier grant.

Mr. Fournier made application for patent on the 6th November, 1922, supported by a supplementary statement of the 23rd May, 1923, establishing proof of the performance of two terms of residence on purchased land described as the South East quarter of Section 7, Township 35, Range 4, West of the Fifth Meridian, and two years' cultivation on his soldier grant.

It has been represented that Mr. Fournier, owing to further development of his disability, will be unable to complete his residence duties, and the annexed copy of official form No 347 and a letter of the 10th December, 1923, from the Board of Pension Commissioners for Canada, furnished details of the disabling condition and the rate of pension awarded, which indicates that pension, which was at first awarded on a disability basis of ten percent, has been increased to thirty per-cent.

The Minister of the Interior.

|---|---|---|---|---|---|---|

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Dear Sir:

With reference to your letter of the 13th instant regarding one Dan Nahirney the information as regards these three questions is as follows:

1. Entry was filed for the S.W. 18-61-24 W. 4th Mer. on the 4th July, 1914 at which time Mr. Nahirney gave his age as 34 years. This entry was cancelled on the 14th December, 1915.
2. In the sworn statement which accompanied the application of Dyanyz Nahivny for patent for the N.W. 15-61-25 W. 4th and dated the 18th March, 1921 the applicant gave his age at that time as 41 years. Letters Patent for this parcel were issued on the 21st November, 1921.
